Re: **Strong Support for HB2670 HD1**

Hrg: February 27, 2018 at 12pm room 228

The Hawaii Public Health Association is a group of over 600 community members, public health professionals and organizations statewide dedicated to improving public health. HPHA also serves as a voice for public health professionals and as a repository for information about public health in the Pacific.

HPHA strongly supports **HB2670 HD1**, which improves access to affordable, healthy, and local fresh fruits and vegetables by creating a matching incentive program for beneficiaries of the Supplemental Nutrition Assistance Program (SNAP).

A matching incentive program that is made available in farmers' markets and other direct food retail venues such as grocery stores will help to reduce food insecurity and improve dietary behaviors among many of Hawaii's low-income families. Providing a dollar-for-dollar match for the purchase of fresh fruits and vegetables will increase the purchasing power of SNAP participants as it frees up room in their budget for other equally essential expenditures such as housing and health care.

Healthy produce incentives will also improve healthy eating behaviors among Hawaii's low-income families. With food costs so much higher in Hawaii than on the mainland, many SNAP (formerly known as food stamps) participants often spend their SNAP dollars on low-priced unhealthy options. Poor dietary behaviors are associated obesity, heart diseases and other chronic diseases.

The implementation of a local incentive program will also support local farmers and boost the economy. Healthy produce incentives encourage more spending by local markets and can increase farmers' income and customer base. A matching incentive program is good for public health and the economy.

Thank you for the opportunity to provide testimony on important health issues affecting people in Hawaii.

Respectfully submitted,

A handwritten signature in black ink that reads 'Holly Kessler'.

Holly Kessler, Executive Director  
Hawaii Public Health Association
